

How to Create Billing Rule

In this module we will see how to create Billing Rule

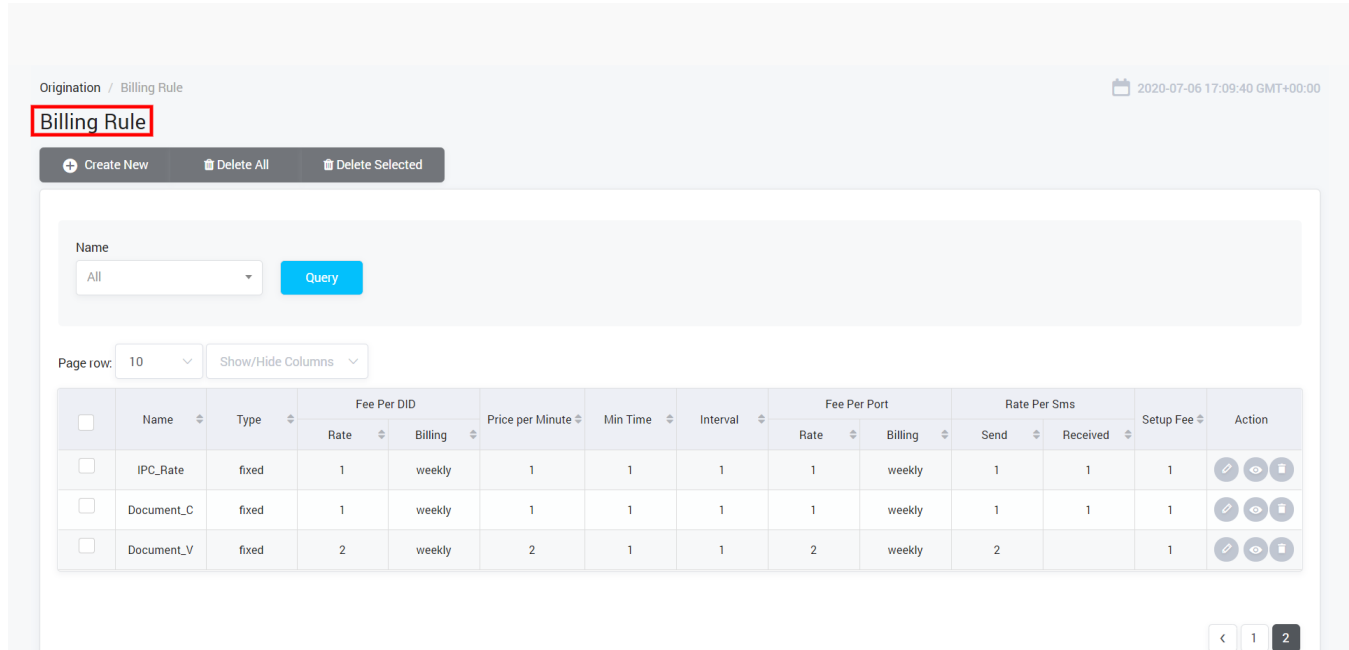

This Billing Rules are used as Rates for DID Client's and Vendor's.

You can also create Fixed or Variable Rates for Billing Rule in Type.

Go to **DID Billing Rule**

Below displayed window will appear.

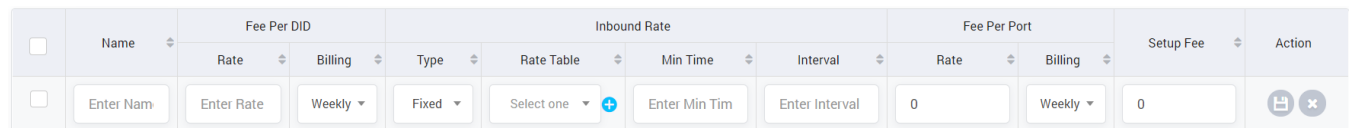

Screenshot: *Billing Rule*

Click on Create New Button to add a new billing rule,

Below displayed window will appear.

Screenshot: *New Billing Rule*

Field Name	Description				
Name	Name of the Billing Rule.				
Fee Per DID	It is use to set Fee Per DID. <table border="1" style="margin-left: 20px;"> <tr> <td>Rate</td> <td>Fee to use per DID</td> </tr> <tr> <td>Billing</td> <td>You can set fee for DID as Weekly or Monthly</td> </tr> </table>	Rate	Fee to use per DID	Billing	You can set fee for DID as Weekly or Monthly
Rate	Fee to use per DID				
Billing	You can set fee for DID as Weekly or Monthly				

Inbound Rate	Type	<p>There are two options:</p> <ul style="list-style-type: none"> • Fix Rate It will be applied for all the DID's. • Variable Rate In this you can use different rates for DID's. <p>Note: When you select Fix Rate, You have to set the Min time and Interval for this rule.</p> <p>If you select Variable Rate, A Rate Table will be generated. After save the Rule, you will be redirected to the Rate Table page.</p>
	Rate Table	Select the Rate Table from dropdown, when chosen Variable in Rate Type. You can also create a Rate Table by clicking on  icon.
	Min Time	Minimum chargeable duration. If min time is 6 sec and someone calls only for 3 sec. The call will get charged for 6 sec.
	Interval	This is the interval for billing. If you set it 6 sec. Then billing will be based on every 6 sec. If you call for 11 sec, but as billing interval is 6 sec. It will be charged for 12 sec.
Fee Per Port	It is use to set Fee Per Port.	
	Rate	Fee to use Port.
	Billing	You can set fee for DID as Weekly or Monthly
Setup Fee	Charges for completing all the setup.	

With the help of above displayed table, you can fill out the criteria of Billing Rule,

You can create separate Billing Rule for Client & Vendors.
