

# How to check Online Users on the switch?

In this module we will see how to check Online Users on the switch,

Go to **Configuration Users**

Below displayed window will appear.

*Screenshot: User Management*

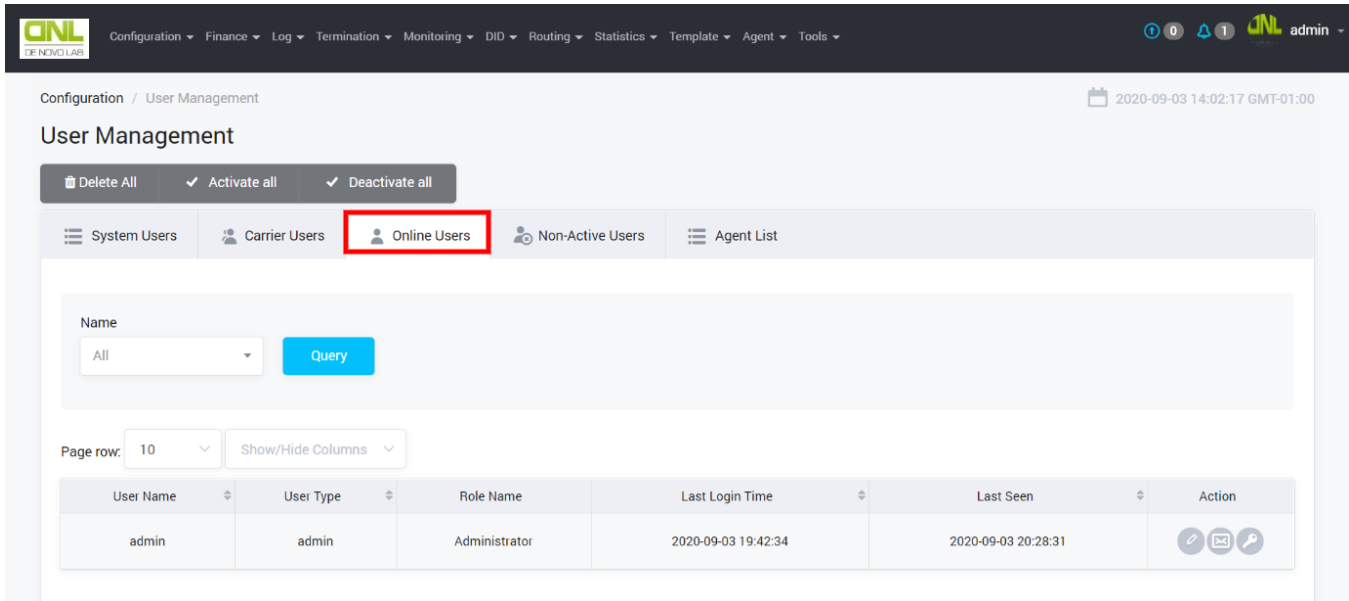

The screenshot shows the 'User Management' interface. At the top, there is a navigation bar with the 'CNL' logo and various menu items like Configuration, Finance, Log, Termination, Monitoring, DID, Routing, Statistics, Template, Agent, and Tools. The user is logged in as 'admin'. Below the navigation bar, the breadcrumb 'Configuration / User Management' is visible, along with a timestamp '2020-09-03 13:59:26 GMT-01:00'. The main heading is 'User Management', and there is a '+ Create New' button. Below this, there are tabs for 'System Users', 'Carrier Users', 'Online Users' (highlighted with a red box), 'Non-Active Users', and 'Agent List'. A search section includes a 'Name' dropdown set to 'All' and a 'Query' button. Below the search section, there are 'Page row' and 'Show/Hide Columns' dropdowns. The main content is a table with the following data:

<input type="checkbox"/>	User Name	User Type	Role Name	Last Login Time	Last Seen	Action
<input type="checkbox"/>	admin	admin	Administrator	2020-09-03 19:42:34	2020-09-03 20:28:31	  
<input type="checkbox"/>	icx_api1	admin	Neww_role	2020-08-12 09:34:10	2020-08-12 09:35:09	<input checked="" type="checkbox"/>   
<input type="checkbox"/>	booking	admin	Neww_role			<input checked="" type="checkbox"/>   

On the User Management window, click on **Online Users**,

*Screenshot: Online Users*

The screenshot shows the 'User Management' interface with the 'Online Users' tab selected and highlighted with a red box. At the top, there is a navigation bar with the 'CNL' logo and various menu items like Configuration, Finance, Log, Termination, Monitoring, DID, Routing, Statistics, Template, Agent, and Tools. The user is logged in as 'admin'. Below the navigation bar, the breadcrumb 'Configuration / User Management' is visible, along with a timestamp '2020-09-03 14:02:17 GMT-01:00'. The main heading is 'User Management', and there are buttons for 'Delete All', 'Activate all', and 'Deactivate all'. Below this, there are tabs for 'System Users', 'Carrier Users', 'Online Users' (highlighted with a red box), 'Non-Active Users', and 'Agent List'. A search section includes a 'Name' dropdown set to 'All' and a 'Query' button. Below the search section, there are 'Page row' and 'Show/Hide Columns' dropdowns. The main content is a table with the following data:

User Name	User Type	Role Name	Last Login Time	Last Seen	Action
admin	admin	Administrator	2020-09-03 19:42:34	2020-09-03 20:28:31	  

**Online User** window get displayed, Here you can see the Users who are online, using the switch.
